

## Tribute Bricks

Remembering Those We Love

### MEMORIALIZE YOUR LOVED ONE

Celebrate the life of someone you love by dedicating a brick to them. Pay tribute to an adventurous spirit, a voice of reason, a mischievousness sense of humor, a loving touch, an educator at heart, a nature enthusiast, the loved one who brought light to your life or the someone special with whom you shared precious moments. As an honor to your loved one, your generous gift also ensures others receive the expert and compassionate care they need at end of life.

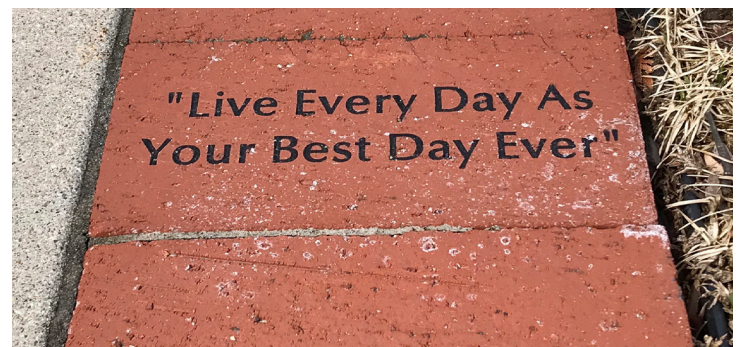

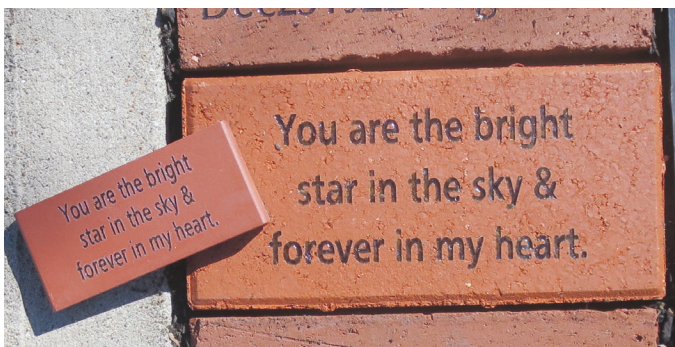

### TRIBUTE BRICKS IN THE GARDENS OF REMEMBRANCE

The walking paths that surround the sunlit and flower-filled Gardens of Remembrance at the Kaplan Family Hospice House in Danvers and the Care Dimensions Hospice House in Lincoln are bordered with bricks inscribed with words of tribute to those we love.

The gardens are a beautiful and tranquil setting that present a haven for reflection and comfort to patients, families and visitors. Perhaps you have even stopped to read the embedded bricks and reflect on the lives they honor and the stories they tell.

### A PERSONAL KEEPSAKE OR GIFT TO SHARE

A miniature replica of your personalized brick will be made for you. Additional mini replicas are also available for purchase. Keep your mini replica bricks as a treasured keepsake of your tribute message or give them as gifts and share your memento with others.

### A GIFT OF COMPASSION

With the purchase of a tribute brick, you contribute to the compassionate care provided by Care Dimensions. Your donation is an important part of helping us to meet the needs of every patient and ensure comfort, dignity and quality of life – especially for those of limited means. Charitable donations also enable us to extend bereavement support to family and friends of patients, as well as the community at large, so that we can help people of all ages move forward after the loss of a loved one.

## Tribute Brick Inscription

Please complete the form below exactly as you want your message to appear on the tribute brick and return with the Tribute Brick Reply Form.
